

HOW TO DIRECT GIFTS TO THE SALVATION ARMY

The Salvation Army's Western Division serves the needs of people in Iowa, Nebraska, and South Dakota. All gifts received by The Salvation Army are used as directed by our friends. Gifts may be designated to support local programs and services. The appropriate legal designations for gifts by wills, trusts, and beneficiary designations are:

"...The Salvation Army, with divisional offices at Omaha, Nebraska, to be used in the area(s) of greatest need as determined by the Divisional Finance Board of the said organization..."

"...The Salvation Army, to be used for the programs and services of the said organization in the (name of city & state) Corps..."

CHANGING LIVES THROUGH CAPITAL IMPROVEMENTS & OTHER SPECIAL NEEDS

"...The Salvation Army, to be used for capital improvements and other special needs of the said organization in the (name of city & state) Corps"

CHANGING LIVES IN SMALLER, MORE RURAL COMMUNITIES

"...The Salvation Army, to be used for the programs and services of the Service Extension Unit in (name of city & state) or to be used by the Service Extension Units in adjoining counties..."

CHANGING LIVES FOREVER THROUGH ENDOWMENT

Our friends desiring to designate gifts, establish named gifts, or establish endowed fund agreements are encouraged to contact a Salvation Army Gift Planner. Our Gift Planners will visit with you about the various options and programs available in the community of interest and how the gift may be used most effectively. In addition, our Gift Planners will provide, at no cost, computer illustrations of various gift plans, sample documents and specific wording as needed.
